Description

"Dire cette série est torride est en train très, très légèrement.

Lorsque grésillement beauté afro-américaine Ashley rentre à la maison à sa belle-famille pour les vacances, elle se rend compte très vite qu'elle se lance dans un tout nouveau niveau de la vie adulte.

Elle a été adoptée comme un bébé par une famille milliardaire blanc qui avait déjà sept (croyez-le ou non) des demi-frères les plus beaux du monde en attendant de lui souhaiter la bienvenue.

Elle a été loin à l'université, est maintenant 20 et a eu sa part d'expériences romantiques à ce jour, mais à partir d'une expérience de mile-club de haut la nuit sur le plan, les choses commencent à changer dans la haute vitesse très vite dans cette histoire et ne laissez pas jusqu'à la fin. Ceci est une histoire en deux parties destiné à une série de sept.

Faire le calcul.
